When I need you

When I love you

(There will be blood)
When I feel you
(There will be blood)
When I need you
(There will be blood)
When I love you
(There will be blood)

We're dancing in the blood rain
We're dancing in the blood
(We're dancing... Blood rain)
Blood rain
We're dancing in the blood rain
We're dancing in the blood
(We're dancing... Blood rain)
