

# Bow Down

BlutEngel

Don't you think that is time  
to change the way you live?  
Don't you think that it's time  
to give up the fight?

Don't you think that it's wrong  
to behave like you do?  
Don't you think that it's wrong  
to waste your life like that?

Listen to the words we pray  
And remember what you have done  
Don't you think that you will lose?

Listen to the words we pray  
And remember what you want  
we can give you redemption

But you have to confess  
that you were wrong

You can fight, you can kill  
But you can't win the war  
You won't survive in the end  
cause life is a whore

You better pray and bow down  
before the one that you serve  
You can't control all those things  
that you think you deserve

You can fight, you can kill  
But you can't win the war  
You won't survive in the end  
cause life is a whore

You better pray and bow down  
before the one that you serve  
You can't control all those things  
that you think you deserve

We can show you the way  
out of the dark

Just confide in yourself  
and open your mind

You can fight, you can kill  
But you can't win the war  
You won't survive in the end  
cause life is a whore

You better pray and bow down  
before the one that you serve  
You can't control all those things  
that you think you deserve
