

Dark history

BlutEngel

Was this right or wrong?
Would anybody judge us for what we have done?
For what we have done...
Why did we hate each other?
Why did we make our loved ones cry?
Why do they cry?

We will fly away together for eternity
Our hope will never, never fade away
We will fly away together for eternity
We will follow our dreams
Follow our dreams til the end

We will escape our dark history
We will leave this sorrow behind

In the end I will stay alone
Everyone's gone...
Everyone's gone...
I can't live without you here
I don't have the strength to go on
So please take my hand and lead me through this dark time

We will fly away together for eternity
Our hope will never, never fade away
We will fly away together for eternity
We will follow our dreams, follow our dreams 'til the end

We will escape our dark history
We will leave this sorrow behind

We will fly away together for eternity
Our hope will never, never fade away
We will fly away together for eternity
We will follow our dreams, follow our dreams 'til the end

We will escape our dark history
We will leave this sorrow behind
