

Freak Out

BlutEngel

White walls, black holes
Scary faces, unholy voices
White walls, black holes
Scary faces, unholy voices

All the voices sing in my head
All the voices they shout
All the voices sing in my head
All the voices they shout

I can't control myself
I start to freak out
I can't control myself
I start to freak out

All the voices sing in my head
All the voices they shout
All the voices sing in my head
All the voices they shout

I can't control myself
I start to freak out
I can't control myself
I start to freak out

Red blood, too many tears
Not too close, too many fears
Red blood, too many tears
Not too close, too many fears

All the voices sing in my head
All the voices they shout
All the voices sing in my head
All the voices they shout

I can't control myself
I start to freak out
I can't control myself
I start to freak out

All the voices sing in my head
All the voices they shout
All the voices sing in my head
All the voices they shout

I can't control myself
I start to freak out
I can't control myself
I start to freak out

I never had a chance
I never had a chance
I never had a chance
I never had a chance
