

I'm Alive

BlutEngel

You think there will be no one
To listen to you
When you confess your sins
You feel so left alone

You wait for someone to give you a sign
You wait for someone to show you the way

I travel through dark clouds
Like a light in the dark
I'm shining from above
I'm alive, I'm alive, I'm alive

I travel through dark clouds
Like a light in the dark
I'm shining from above
I'm alive, I'm alive, I'm alive

I'll be there for you
When you pray to me
You have to believe
In my bright existence

I'll be there for you
When you pray to me
You have to believe
In my bright existence

You think there will be no one
To listen to you
When you confess your sins
You feel so left alone

You wait for someone to give you a sign
You wait for someone to show you the way

I travel through dark clouds
Like a light in the dark
I'm shining from above
I'm alive, I'm alive, I'm alive

I travel through dark clouds
Like a light in the dark
I'm shining from above
I'm alive, I'm alive, I'm alive

I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive
I'm alive, I'm alive, I'm alive

I'll be there for you
When you pray to me
You have to believe
In my bright existence

I'll be there for you

When you pray to me
You have to believe
In my bright existence
