Life

Life will never be the same
Can't you see I'm going insane
Life will never be the same
Can't you see I'm going insane
Life will never be the same
Can't you see I'm going insane
Life will never be the same
Can't you see I'm going insane
Going insane

Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again

Life will never be the same
Can't you see I'm going insane
Life will never be the same
Can't you see I'm going insane
Going insane
Going insane
Going insane
Going insane
Going insane
Going...
Will never
Life will never
Life will never
Be the same

Life will never be the same
Life will never be the same
Life...
Life...
Life will never
Life...
Be the same

Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again
Life will never be the same again

Life will never be the same
Can't you see I'm going insane

Life will never be the same
Can't you see I'm going insane
Life will never be the same
Can't you see I'm going insane
Life will never be the same
Can't you see I'm going insane
