

Nobody's Diary

BlutEngel

If I wait for just one second more
I know I'll forget what I came here for
My head was so full of things to say
But as I open my lips, all my words slip away

Ah, and anyway
I can't believe you want to turn the page
And move your life onto an honest page
You can change the chapter, you can change the book
But the story remains the same if you take a look
Ah-ah, ah-ah

For the times we've had, I don't want to be
A page in your diary, babe
For the good, the bad, I want to see
The page in your diary, babe
For the cap we set, I don't want to be
Another page
In your diary

Perhaps if I held you I would win again
I could take your hands, reach out and maybe then
That look in your eyes, I always recognize
Well tell me everything is gonna be fine
You're gonna be mine
For a long time

For the times we've had, I don't want to be
A page in your diary, babe
For the good, the bad, I want to see
The page in your diary, babe
For the cap we set, I don't want to be
Another page
In your diary
