

## The Search

**BlutEngel**

I've travelled for a thousand years  
I drowned into the deepest oceans

I'm still searching  
I'm still hoping  
I'm still crying  
But it's not over now

I was fighting against so many demons  
I met so many people but I felt alone

I can't speak  
I can't breath  
I can't survive on my own  
I keep on searching  
And I will find you one day

I can't sleep  
I can't live  
I can't survive on my own  
I keep on hoping that you really exist

I don't want to lose myself  
I will find you on the edge of the world
