

## Vampire's Call

BlutEngel

I just come for you  
To make you smile  
Don't be afraid of what you don't know  
In the darkest night you can count on me  
I will give you the deadly kiss  
Now you're one of us

You're one of us  
You're a part of the night  
You're one of us  
Say goodbye to the light

I will go down down  
To save your soul  
I will show you the world from my crystal throne  
I will give you the chance of eternal life with me

I will go down down  
To save your soul  
I will show you the world from my crystal throne  
It just takes a kiss to make your pain go away
