

# We Are Not Dead

BlutEngel

They are fighting against us for a thousand years  
They try to suppress us  
They can't stand the way we are living  
They try to convince us

But we don't want to be like them  
We make our own decisions  
We are rebels with a cause  
And we don't want to live in a world like that

We are not dead  
We are not dead yet  
We are not dead  
We are not dead yet

There is no way out  
There is no way back  
We are trapped in stagnation  
But we will not give up  
We are still alive

As long as we are not dead  
We keep up the fight  
We are rebels with a cause  
And we don't want to live in a world like that

We are not dead  
We are not dead yet  
We are not dead  
We are not dead yet

We are not dead  
We are not dead yet  
We are not dead  
We are not dead yet

We are not dead  
We are not dead yet  
We are not dead  
We are not dead yet

We are not dead  
We are not dead yet  
We are not dead  
We are not dead yet
