

When darkness falls

BlutEngel

You've been afraid of the future for far too long
You were torn inside and couldn't find a way out
So many voices have tried to influence you
But nobody knew that it was the silence you've been longing for

You will never walk alone in these cold times
I will hold you when darkness falls

Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again

You don't need anyone to show you your mistakes
You need a friend who understands your past
I will always be there for you when you need me
I will always be there for you when you're feeling down

You will never walk alone in these cold times
I will hold you when darkness falls
I will fight the demons that've been haunting you for so long
I will stand by your side until you can fly again

Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again

You've been afraid of the future for far too long
You were torn inside and couldn't find a way out

So many voices

You will never walk alone in these cold times
I will hold you when darkness falls
I will fight the demons that've been haunting you for so long
I will stand by your side until you can fly again

Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again
Oh, oh-oh-oh, you can fly again
