

(Rillo, Rillo)  
You know it's cold outside (You know it's)  
I wanna hold you tight (I wanna)  
Who else gon' love you right? (Who else?)  
Pick up your phone tonight

Come through baby we could break the bed  
Break the bed  
Break the bed  
You know I'm finna get you wet  
Get you wet  
Get you wet (Get you wet)  
Break the bed  
Break the bed  
Break the bed  
Do something that you won't regret  
Give you somethin' that you won't forget  
Come through

Tell me that you love me  
While we makin' love yeah  
All this heavy breathin', love is really in the air  
Scratchin' on my back, while 'm pullin' on your hair  
I guess all is fair  
In love and war, love and war yeah  
We've taken it slow, it's alright  
But I think I'm changin' my mind  
I've already told you enough  
I just wanna show you tonight  
Darlin' you know my address  
I just wanna love you reckless  
Until we need a new mattress

Come through baby we could break the bed  
Break the bed  
Break the bed  
You know I'm finna get you wet  
Get you wet  
Get you wet (Get you wet)  
Break the bed  
Break the bed  
Break the bed  
Do something that you won't regret  
Give you somethin' that you won't forget  
Come through

Oh baby girl I love the way you say my name when I'm deep inside  
Ain't nobody but me and you inside this place  
Don't be ashamed girl, free your mind  
Free your soul (I remember all that you said through the texts and all)  
Leave you shakin' just like this bed when we're done with it all  
Oh baby girl no one did you like this  
Floatin' through the abyss  
I'm touchin' on your...  
Baby I'll make sure that you miss me  
Gotta make sure that you leave here glistenin' (Glow, glow)  
And I'm not in a rush, baby, I swear we can go slow

Oh you're so perfect, so worth it  
You've been teachin' me, girl, I'm learnin'  
Make you weak, baby, talk in cursive

Come through baby we could break the bed  
Break the bed  
Break the bed  
You know I'm finna get you wet  
Get you wet  
Get you wet (Get you wet)  
Break the bed  
Break the bed  
Break the bed  
Do something that you won't regret  
Give you somethin' that you won't forget  
Come through

You know it's cold outside (You know it's)  
(Break the bed)  
I wanna hold you tight (I wanna)  
(Break the bed)  
Who else gon' love you right? (Who else?)  
Do somethin' that you won't regret

Give you somethin' that you won't forget  
Come through
