

I hop out a brand new whip  
Haters be mad and shit  
Shawty a bad lil' bitch  
She lives im the trap and shit, yeah  
I wanna ball (I wanna ball)  
Go to the mall (Go to the mall)  
I want it all (I want it all)  
I'm not takin' no calls (No)  
If it ain't' about the guap, ayy  
I need my fetti like Wap, ayy  
We takin' it to the top, ayy  
I'm 'bout to drop ayy

Hoppin' out a brand new whip, brand new bag  
Went ahead and dissed me, came back and you said "Sorry"  
Nigga that's a whole new sad  
Walkin' in the club with a suit, nigga what it do?  
Feelin' like Vince McMahon  
She tryna squeeze in the section by shakin' that booty  
I said "You can't even dance"

Who you know popped like me in a pandemic?  
Did it all clean, this shit really systemic  
Clear out my day just to count up some fetti  
Clear out my day just to count up some-  
Fetti, Fetti, Fetti, Fetti  
Fetti, Fetti, Fetti, ayy  
Fetti, Fetti, Fetti, Fetti  
Fetti, Fetti, Fetti, yeah

Ayy  
I'm in the sky with the angels  
I'm with my dawgs and I dare you to tame 'em  
I'm on the stage goin' hard for the payment  
Jordan year I'm goin' hard in the paint  
You got drip, I got drip but that shit not the same  
I done came with the noise, yes, I came the gain  
I'm the hottest, the greatest, they knowin' my name  
I'm the fastest I know it, I stay in my lane  
Heard all the chats and the cap but I came like a judge  
And I told 'em I'm closing the case  
You had a chance to get rich but you blew it  
I do what you do in a month in a day  
I had chance to get rich and pursued it  
I'm pulling up different, I got a new wave  
Saw what you did in the past and improved it  
I'm really a student, I'm acin' the game

Hoppin' out a brand new whip, brand new bag  
Went ahead and dissed me, came back and you said "Sorry"  
Nigga that's a whole new sad
