Magazine, that's me on the cover  
My record is clean I could still shoot your brother  
Still turning up, I got hits for the summer  
They know what I'm on, I'm still running the numbers

Flexing like I never came from the gutter  
Bitch I am the goat, you got milk in your udder  
Fuck what you talking. I finish your bundles  
I came with the slatt. I'm the big anaconda

Step in the club with a fist full of hunnids  
The bouncers look at me like bro how you coming ?  
I gotta throw hunnids, these bitches is lovely, you see em  
Only 10s flooding my dms, they know bout the hottest, they wanna come see him  
Look at my catalogue, that's a museum, too many bad bitches, I pass em to ledaleo

2018 had my life in a rope  
Now a nigga counting bands by the load  
Now a nigga counting bands by the load  
Now a nigga counting bands by the load

Put a big smile on, fighting with my demons  
They was fucking with my feelings  
Had to tell em all go  
Had a gucci side bag, feelin like a boss  
How that shit got burnt, I ain't even fuckin know

2018 had my life in a rope  
Now a nigga counting bands by the load  
Now a nigga counting bands by the load  
Now a nigga counting bands by the load

Niggas tried to dim my shine, I ain't even payback  
I was just sticking to the code  
When I found bitch niggas ain't even say sorry  
Realised the game too cold

Second to none I'm the big number one  
I get the bread and then you get the crumbs  
Brand new drip on me and it cost me none

Got the redbat slides on in the interview  
Young superstar you can see me in the news  
Young superstar you can see me in a coupe  
Young superstar you can see me in...

I just had a chat with myself in my head and I realised these pussy ass nigg  
as ain't cold  
Bout to go harder than bitch  
Funny I ain't even fucking started  
Bout to take niggas souls
