

weep

Blxckie

I could hold you in my arms forever
We could go so far together
I swear I can make you feel better
Let's go on a trip, on an adventure

Oh all the shit you've been through
Oh I can not let you weep
I want you to feel safe with me

I assure you I got more in store
I just plead for you don't close the door
Swear I care for you it's down to the core
To the core...

Girl don't worry about my past
Right now I'm countin' up stacks
Right now I'm countin' up racks
Hey

That's why I want you back
Girl I'm tryna reconnect
Girl I'm tryna break your back
Hey hey

Light in the dark, baby girl shine for me
I know you'd go really far for me
Down to the end of the sea
I can not sleep at night thinking about you
At least I feel alright knowing you love me too

I could hold you in my arms forever
We could go so far together
I swear I can make you feel better
Let's go on a trip, on an adventure

Oh all the shit you've been through
Oh I can not let you weep
I want you to feel safe with me

Oh ahh
Oh yeah, oh yeah
Oh yeah, oh yeah
Oh oh

I took a dive right into the deep end
Girl you know all my secrets
There's nothing I can keep from you
Nothing I can keep...

I took a dive right into the deep end
You know how I feel bout you
Everything is so real with you
I cried on your shoulder, but your heart grew colder

I know, you took a dive right into the deep end
Oh oh
How many times must we speak bout the same thing

How many times must you cry yourself to sleep
Before you see
You're in too deep
Took a dive right into the...
