

Bacc Home

Blxst

I been in the streets all day
Bringing it bacc home
Lil baby, I'll be the bacc bone
For you, waiting by the blacc phone
I'm not the nigga tryna latch on
So I'm in the streets all day
Gotta get it on my own, yea, yea
By my lone
Waiting by the blacc phone
But, I gotta flip it til I'm bacc home

Flip it til I'm bacc up
I gotta bust it down and beat the pacc up
We gone bust it down and fucc the raccs up
She gone pull up on you and gone act up
I'm in the streets and pulling bacc up
Get some head time, I'm tryna lap up, for you
Cause I know you need it
He ain't gone fuck on you like, I'm gone beat it
Imma bust it down until you walk different
Dog, Imma really do it how I'm talking it
And if it slap, then Imma drop it, gotta be on with it
I'm on blacc, cause if I shoot, if I'm drawing it
Just the way I live my life, it ain't no fraud in it
And we gone fucc some money up, this shit ain't all business
No I ain't gone answer the phone if you calling it
They won't let me off my feet, can you succ me till I'm sleep?

I been in the streets all day
Bringing it bacc home
Lil baby, I'll be the bacc bone
For you, waiting by the blacc phone
I'm not the nigga tryna latch on
So I'm in the streets all day
Gotta get it on my own, yea, yea
By my lone
Waiting by the blacc phone
But, I gotta flip it til I'm bacc home

Yea, the money don't chase itself no cap
Got me up, calling your cell phone bacc
If I'm out thuggin with 12, don't stress
I put up something for bail, to bounce bacc
Don't trip, I'm in the field like that
Cause I been about a bag and it's still like that for you
I'm a risk taker
[?] rule breaker
Life's a gamble, but still I'm a dice shaker
I gotta do a little dirty to fly later
I gotta get it now 25/8, yea
I'm tryna bust you down, straight ice glacier
And you know you deserve to flex
You perfect, blessed
You ain't gotta ask, cause the word is yes
You know where it's at, take my word for that
If I take a loss, gotta earn it bacc

I been in the streets all day
Bringing it bacc home (bacc home)
Lil baby, I'll be the bacc bone, (bacc bone)
For you, waiting by the blacc phone
I'm not the nigga tryna latch on
So I'm in the streets all day
Gotta get it on my own, yea, yea
By my lone
Waiting by the blacc phone
But, I gotta flip it til I'm bacc home
