

Baccseat

Blxst

Uh, top five, yeah, I thought she was out of reach, yeah
Out the way, yeah, I wan' see you by the beach, yeah
When you ride with me
Don't care to hurry, nah
'Cause we stay in control, handling the road

Hmm, yeah
'Cause I do the most (Do the most)
Spend a hundred thousand on the road
Pick you out that Birkin out the store
Yeah, put you on that jet and we can go (Shee)
You know I do the most
(Go, girl, go, girl, go, girl)
Yeah, pick you up and squeeze you by your throat
You know I'm crashin' 'bout it, either way it go
Know I'm crashin' 'bout it, either way it go, I'm on that

Throw a bag, know it's coming back, I'ma do it
Call my phone, pull up where I'm at, I'ma do it
Keep it player when I'm gone, you say I'm gon' do it
Had to leave lil' one alone, she said she going through it
Big shit, just 'cause I can't come at you no other way
You can't never fold or tell nobody you can't run away
If you ain't never been no solid bitch, you gotta be one today
I promise, I'ma always do the most 'bout it

Yeah 'cause I do the most (Do the most)
Spend a hundred thousand on the road
Pick you out that Birkin out the store
Yeah, put you on that jet and we can go
You know I do the most
(Go, girl, go, girl, go, girl)
Yeah, pick you up and squeeze you by your throat
You know I'm crashin' 'bout it, either way it go
Know I'm crashin' 'bout it, either way it go, I'm on that

You say it's 'bout the time you wanna see me, huh? (See me, huh)
I said I'm on my way, you don't believe me, huh? ('Lieve me, huh)
Please don't push my buttons, bae, I'm speedin' up
Only push to start the Lamborghini truck
Hold me down
You know niggas hate to see me up
You been around
Since day one and I had plenty of 'em
I can't lie, I'll do the most for you, baby
Can't leave you alone but this road tryna take me

Wish I could put you in the backseat
'Cause you got that forever kind of love
Yeah

'Cause I do the most (Do the most)
Spend a hundred thousand on the road
Pick you out that Birkin out the store (Out the store)
Yeah, put you on that jet and we can go
You know I do the most
(Go, girl, go, girl, go, girl)

Yeah, pick you up and squeeze you by your throat
You know I'm crashin' 'bout it, either way it go
Know I'm crashin' 'bout it, either way it go, I'm on that

Go, girl, go, girl, go, girl
