

# Falling

Blxst

Ayy, ayy  
What I gotta run game for?  
I'm so tired of fucking with these lame hoes  
You the one I wanna put that ring on  
Know you heard the same song  
But I'm not the type to do your name wrong  
Got you looking stupid on some a-hole shit (never)

Ain't no cappin, this attraction must be fatal  
Misunderstood, don't need explaining, ain't no label  
Say you smilin', I know sometimes I could be playful (yeah)  
But I'm serious, don't wanna hear you say no

'Cause if it's not I'm, I'm falling in pocket for you (yeah)  
'Cause soon as I got your number, baby  
It was skeptical to fall through (skeptical to fall through)  
And I don't wanna be the one to do  
Anybody else besides you (besides you, yeah)  
But now that I've fallen, what am I gonna do?

Yeah, let me take, take, take two steps back  
I got what you want and still you don't know how to act  
Wouldn't know what to do with love if it fell in your lap  
Yes, I'm falling for you but I won't fall for your trap, ayy  
'Cause I done been through hell and back (yeah)  
Can't give you my heart 'cause if you drop it it's a wrap, ayy  
Yes, I'm falling for you but I won't fall for your trap, ayy  
On God

Yeah, but who am I to put the blame on?  
Ain't your fault I chose to hang on  
You so bad I had to skip the friend zone  
Even with my friend zone  
To keep it real I should've been on  
If you the type I could depend on

'Cause a broke heart ain't something you could pay for (no way)  
Don't get offended, ain't intended to be shade thrown  
I just need to know right now before the days gone  
'Cause I'm serious, don't wanna hear you say no

And if you're not I'm, I'm falling in pocket for you (yeah)  
'Cause soon as I got your number, baby  
It was skeptical to fall through (skeptical to fall through)  
And I don't wanna be the one to do  
Anybody else besides you (besides you, yeah)  
But now that I've fallen, what am I gonna do?
