

Gang Slide

Blxst

It was a midnight gang slide
I had to pull up get right
A stick and move on the westside
'Cause you know you give me the best high, ayy
It was a midnight gang slide
I had to pull up get right
Stick and move on the westside (Westside)
'Cause you know you give me the best high
Ayy, ayy

And I quote (Quote)
Don't act like I won't (Won't)
Pull up on you quickly for that quickie, I want smoke
Once I touch down in your city you know it be all she wrote (Ye

I might hit my Ricky in that cookie, I'm the GOAT
Yeah, the freak come out at night
Don't think we don't bite
Once I throw you off your balance and go savage I just might (A

Ayy, hold on for your life
Need my issue right on sight
Pistol packin', put in work to get my stripes
Fuck the hype
