Set it up, set it up, ayy
You can live but you can't find a better love, wait
Pull up on your block and probably wet it up, ayy
You be talking all this shit, I had enough, bae
I need you to do it like the "fell in love" way, ayy
No hold back, push me to the limit, I need you to know that
If you let me take it, I won't give your soul back
Empty out the clip again and I reload that, like
It was your fault, you was asking for it, yes, you was
But you not tripping, that 'cause you enjoy it, yes, you does (
Oh, no)
