[Verse 1: Blxst]

I'm in rare form, know that they prayin' for him to stop (I won't)
New foreign, I just did a coupe, two in a lot (Let's go)
Entertainin' the opps, know it hurt on the watch
Never heard of this watch, but I still gotta cop
I just touched down, do a surprise party for cops
Back in the field, you know it's smaller to plot
I ain't even checkin' the scoreboard, I stopped (What for?)
Double up on this world tour, then drop again
While you lookin' for a block to spin
I'm international Blxst, you can't box me in
A circle full of elites, you can not be there
But a lot of funky positions, guess I gotta be him
If it's real, let it be know, you ain't gotta pretend
Long as we got respect, we ain't gotta be friends
You know answers don't sleep, I embody the trend
Maybe that be the reason she keep callin', she keep callin' again

[Chorus: Blxst]

Yeah, keep callin' (Keep callin')
Mmm, ah, keep ballin' (Keep ballin')
Baby, I'm standin' on business, I'm flawless (Sheesh)
Baby, my diamonds still hittin', they flawless (Yeah, yeah)
Yeah, ayy, they keep callin' (Keep callin')
Mmm, ah, keep on ballin' (Keep ballin')
Baby, I'm standin' on business, I'm flawless (Sheesh)
Baby, my diamonds still hittin', they flawless (Yeah, yeah)

[Verse 2: Larry June]

Ayy, phone ringin' (Phone ringin'), oh, she got the news (Got the news)
I'm movin' on (Movin' on), you ain't get the clue (Get the clue)
You did me wrong (Did me wrong), I'm done with you (Done with you)
Ten-thousand blues (Ayy), what I'm thumbin' through (Thumbin' through)
Pickin' up my- (Shh), in this Bentayga ('Tayga)
Fly her out the way, secret location ('Ation)
Kiss her on the lips, right before breakfast (Hahaha)
Coppin' [?], nigga, what's the extras?
Rose gold piece and the diamond's special (Ayy)
Pulled off in the Porsche (Uh), playin' my confessions (Hahaha)
I just play the game, never sweat her
I knew I had to change, got my bread up
I keep ballin' (Uh), puttin' in work, still turnin' down offers (Damn)
International with it, yeah, I get it 'round the globe (Globe)
I'm focused on growth (Damn), nigga, stand on my toes (Ayy)
What's happenin'? Ayy, ayy, ayy, ayy, ayy, ayy (Yeah)

[Chorus: Blxst & Larry June]

Yeah, keep callin' (Keep callin')
Mmm, ah, keep ballin' (Keep ballin', uh, damn)
Baby, I'm standin' on business, I'm flawless (Sheesh)
Baby, my diamonds still hittin', they flawless (Ayy, ayy, ayy, ayy, ayy, ayy)
Yeah, ayy, they keep callin' (Keep callin', damn)
Mmm, ah, keep on ballin' (Keep ballin', sheesh)

Baby, I'm standin' on business, I'm flawless (Sheesh)
