

My Emotions

Blxst

Your emotions
So real

Yeah
You love it when I say, I'm on the way
I give it to you straight, it's hard to wait
Tonight, I'm 'bout to take it all the way
I'mma make you feel some type of way
And when it all falls down (All fall down)
You know you rockin' with the top dog now
Yeah, yeah

You know you rockin' with a big boy
For my little baby go crazy, I keep a clip full
Said if I got it, you got it, I keep a fistful
Yeah, it ain't no problem girl, I got big pull
The real MVP, I could assist you
Yeah, hold it down, I manifest in that body just like I wrote it down
No no, I don't know karate, but I'mma chop it down
Hit her with' that choppa style, but it ain't no backin' down, no

You love it when I say, I'm on the way
I give it to you straight, it's hard to wait
Tonight, I'm 'bout to take it all the way
I'mma make you feel some type of way
And when it all falls down (All fall down)
You know you rockin' with the top dog now
Yeah, yeah
I got you in your emotions

And if you don't know, we can be sumn
You got that, "whoa whoa" and I need some
Might get the, rose gold with the vv ones
Stay with ya, hair did and ya feet done
Look baby why don't you slide through around 3 sumn
You know I got juice, no Capri Sun
I said I got you, so stop teasin'
You gave me that reason to pull up all season

You love it when I say, I'm on the way
I give it to you straight, it's hard to wait
Tonight, I'm 'bout to take it all the way
I'mma make you feel some type of way
And when it all falls down (All fall down)
You know you rockin' with the top dog now
Yeah, yeah
I got you in your emotions
