

# Nothin 2 Somethin

Blxst

Ay

Juggin', bussin', watch me turn nothin' to somethin' (Yeah)  
When the trap house jumpin', don't try to jump in (Yeah)  
I don't need fake love, don't mean nothin'  
You gon' have to show me somethin', yeah  
You gon' have to show me somethin' (Yeah)

I'ma throw it all, no bluffin' (Yeah)  
She gon' back it up then dump it  
He ain't Blxst back in the function, ay  
Lightinin' that ass he corruptin' (Yeah)  
Yeah, been silent, since youngings (Yeah)  
Yeah, Westside, just still thuggin'  
Been down, never switched sides  
Be about yours, I'ma, hold up  
I said be about yours, I'ma be about mine  
Underground guy, but we finna go live  
You late, but you ride up on time (Yeah)  
That's great, but I put in my dimes  
So pass the rock to me  
Nigga, we is way up out your league  
You just gotta face it, this is He  
I ain't gotta say they root for me  
Nigga, you know we

Juggin', bussin', watch me turn nothin' to somethin'  
(Somethin', yeah)  
When the trap house jumpin', don't try to jump in  
(No, no, yeah)  
I don't need fake love, don't mean nothin'  
You gon' have to show me somethin', yeah  
You gon' have to show me somethin' (Yeah)

Real or fake, yeah, that's what you call a snake  
How you no good but you call the fake?  
Not in my book, it was all a break  
They overlook you then call you fake, yeah  
I let 'em fall in place  
Yes, I knew you was gon' fake it, nigga (Yeah)  
That's what they all will say, I gotta ball today  
Might hit the mall and give that shit all away  
Started with pennies, I got it the harder way (Yeah)  
Fuck what a blogger say, you know we saucy now  
I can't get 'em off me, they wanna call me bae  
I know you salty, wait, give 'em the salty face  
You can get all the shade, yeah

Juggin' (Yeah), bussin', watch me turn nothin' to somethin'  
(Somethin', yeah)  
When the trap house jumpin', don't try to jump in  
(No, no, yeah)  
I don't need fake love, don't mean nothin'  
You gon' have to show me somethin', yeah  
You gon' have to show me somethin'
