

Up To Something

Blxst

Sheesh

Ooh, I'm up to somethin'
I had to jump in
Pullin' strings, double dutchin'
Ay, why you frontin'?
You deserve a piece of nothin'
Bitch, we buzzin'
Guarantee I beat the buzzer

Oh, now we kickin' doors down the bitch?
Checkin' goals off the list
Tell them hoes I don't miss
We done rose out them pit
Thowin' bowls up in this bitch, yeah
We gon' keep it lit, just as long we exist
Should've known, known, known
They like "Woah, what is this?"
The soul with drip, I ain't know (Know, know)
Hol' up, hol' up
They gon' love me then hate
Then love me again
I know what it is (Is)
I know that they pissed 'cause

Ooh, I'm up to somethin'
I had to jump in
Pullin' strings, double dutchin'
Ay, why you frontin'?
You deserve a piece of nothin'
Bitch, we buzzin'
Guarantee I beat the buzzer

And we done came a long, long way
And it's crazy, huh? Can't be done
I remember Breezy use to tell me
When the baby come
Shit gon' be so crazy, huh?
It's amazing, huh? Damn
Let me slow it down like it's eighty sumn
You your daddy son, yeah, you your daddy son
All the shit I'm goin' through don't matter none
Damn, when I'm lookin' at you, wish I had a time
But you gon' have it better than your daddy
'Cause I'm up to somethin'

Ooh, I'm up to somethin'
I had to jump in
Pullin' strings, double dutchin'
Ay, why you frontin'?
You deserve a piece of nothin'
Bitch, we buzzin'
Guarantee I beat the buzzer
