

Wake It Up

Blxst

Sheesh

I feel like fuckin', wake it up right now
Buss it, flip it upside down
Oh you actin' like you could like now?
I'll rearrange your gut right now
I'ma let you have control when I'm in it
Or tap out, you gon' fold in a minute
She gon' knock me off my mode, when it's finished
Just promise I can do on my lone, but I'm winnin'

I know you feel like you can't win wit no one nigga baby
You know Imma call when I need you wit me like I'm wit you baby
Do that with both hands
She don't need nobody, she on program
Though I give her 100, without no romance
I ain't tryna tease you
I just call you when I need you

I feel like fuckin', wake it up right now
Buss it, flip it upside down
Oh you actin' like you could like now?
I'll rearrange your gut right now
I'ma let you have control when I'm in it
Or tap out, you gon' fold in a minute
She gon' knock me off my mode, when it's finished
Just promise I can do it on my lone, but I'm winnin'

Ayy, waitin' for you to shoot the, "Okay"
Pull up and do this shit we don't say
I'm tryna stab and dip like I was O.J
Gotta go grab my jit, you know my forté
Yeah, dance with me, don't stop my two step
I know you want my time, but I need them blue strips
You know I feel the real, addin' your two cents
But girl it's still the deal, like I produced It (Yeah)

I feel like fuckin', wake it up right now
Buss it, flip it upside down
Oh you actin' like you could like now?
I'll rearrange your gut right now
I'ma let you have control when I'm in it
Or tap out, you gon' fold in a minute
She gon' knock me off my mode, when it's finished
Just promise I can do on my lone, but I'm winnin'

Sheesh
