

Want You To Know

Blxst

Okay
But I want you to know
Mm hmm
Yeah

Aye
I shouldn't have to remind you
But I want you to know
I rarely do get the time to
So I want you to know
I love you
But it's nothing new
Understand every word that I say true
I'm a man girl I could be playful
I just want you to know

Aye
Truth is
I got too comfortable
Stuck in this hustle but money don't help it though
Truth is
I need to look at myself in the mirror more often
Truth is
I'm too accessible
I learned my lesson to keep it professional
Truth is
I gotta take the precautions
I owe it to myself
You more than just anybody else
Can't ignore all the feelings I done felt
I don't got the same cards everybody dealt with
Loving you a safe fall I don't need help
Aye
Pride to the side I'm 'a slide if you slide
If you wrong then I'm wrong
I don't care to be right
Know I got a hold of a whole different vibe
Know I need your soul for my soul to survive

And I shouldn't have to remind you
But I want you to know
I rarely do get the time to
So I want you to know
I love you
But it's nothing new
Understand every word that I say true
I'm a man girl I could be playful
I just want you to know

I just want you to grow with me
'Cause it's hard to understand
But it's easy to be over me
But I want you to know
Are you willing to take it slow with me?
Might be something new to you
I could envision you getting old with me
Girl I just wanna know

And we been through a lot
True or not?
You said you wanted forever
You thought I forgot?
You telling me to get ready like I'm never not
Is it hard to give me the loyalty you never got?

Pride to the side I'm 'a slide if you slide
If you wrong then I'm wrong
I don't care to be right
Know I got a hold of a whole different vibe
Know I need your soul for my soul to survive

And I shouldn't have to remind you
But I want you to know
I rarely do get the time to
So I want you to know
I love you
But it's nothing new
Understand every word that I say true
I'm a man girl I could be playful
I just want you to know
