

Behind The Gates

Bo Bruce

This is mine, I deserve it
I am sublime or this open world in my sight
Come to ground
Did I break us?
I am ashamed and I fear you've gone this time
Oooo, I fear you've gone this time

Lead us back
To the light
I can see you in the dark night
Take me back into your life
I'm nothing without you

Not a sound
But a heartbeat
And your silence is raging out of control
In my dark there's a white thread
And I'm pleading 'no, don't let me go'
Please don't let me go

Lead us back
To the light
I can see you in the dark night
Take me back into your life
I'm nothing without you

Lead us back
To the light
I can see you in the dark night
Take me back into your life
I'm nothing without you

Forget the sticks and stones
For the broken bones
I got blood on my knees
Am I nothing to me
I got sins to pay
I lost my way
Am I nothing to me
Please

Lead us back
To the light
I can see you in the dark night
Take me back into your life
I'm nothing without you

Lead us back
To the light
I can see you in the dark night
Take me back into your life
I'm nothing without you
