

"U"

Bo Bruce

Gareth Emery feat. Bo Bruce - U

Walking down the highway traffics coming my way
all I see are flashing lights
People wearing blue suits wanna know the real truth
how many did I have tonight?
Looking at the wreckage anyone would guess that all inside had
died
But I'm alive

Wake up in a strange place angels over my head
one of them is shouting clear
1000 bolts of lightning bring me back to life
and it's a miracle that I'm still here
As I'm coming to life screaming out for you I need you by my si
de
Now I'm alive

No I didn't pray to God
No I never saw the light
No I didn't watch my life go flashing right before my eyes
No I didn't do the things that they all said that I would do
I just close my eyes and all I saw was you

No I didn't pray to God
No I never saw the light
No I didn't watch my life go flashing right before my eyes
No I didn't do the things that they all said that I would do
I just close my eyes and all I saw was you
