

## Oh Pitbull

Bo Burnham

Oh Pitbull...  
Oh Pitbull...Yeah

Pitbull, oh Pitbull, we don't understand  
Cause you're not deaf, so you shouldn't have to rap and use your hands

(Oh yeah...)

Pitbull what were you doing, yeah, when you got into that car?  
Yeah, you got into that car, yeah, you didn't get very far  
And now you won't make it to homecoming  
If I guessed where you were at, I'd say you were at home cumming

Oh Pitbull, oh Pitbull, we don't understand  
Cause you're not deaf, so you shouldn't have to use your hands to rap  
I said oh Pitbull, oh Pitbull, we don't understand  
Cause you're not deaf, you're not deaf, so you shouldn't have to use your hands...

Oh we got a Pitbull problem, yeah, we got a Pitbull problem  
Oh we got a Pitbull problem, oh, we got a Pitbull problem  
Yeah, we got a Pitbull problem baby, yeah and its making me sick  
Yeah, we got a Pitbull problem, please somebody call Michael Vick

Yeah, oh Pitbull, oh Pitbull...  
(Oh Pitbull)

Now everyone do what Pitbull can't do and clap!

Pitbull, oh Pitbull, yeah we don't understand  
Cause you're not deaf, so you shouldn't have to use your hands

Oh Pitbull, oh Pitbull, we don't understand  
Oh maybe you couldn't just hold the microphone, maybe that's why  
Oh wait, that makes no fucking sense, he has another hand

Oh Pitbull, now we're stuck with this fucking dorky white kid  
Holy shit you ruined the whole year, congratulations, oh, congratulations!
