

# Unpaid Intern

Bo Burnham

Who needs a coffee? Cause I'm doing a run  
I'm writing down the orders now for everyone  
The coffee is free, just like me  
I'm an unpaid intern

Sorting papers, runnin' around (Runnin' around)  
Sitting in the meeting room, not making a sound (Not a sound)  
Barely people, somehow legal  
Unpaid intern

You work all day, go back to your dorm  
And since you can't afford a mortgage, you just torrent a porn  
Cause you're an intern (Unpaid)
