

We Think We Know You

Bo Burnham

Thank you so much, I think that I probably should've, uh, ended it on a higher note

A big ending or whatever, but, uh... it's been "what.", I hope you enjoyed it-

Bo, oh my god

How are you? I haven't seen you since, like, Freshman year, oh my God!

You were so, like, skinny and weird back then, um...

But now you're, um...

Anyway, um, you should totally come to this party I'm having tonight with a bunch of my college friends

Um, it's gonna be off the chain-hook, it's gonna be so good

You can play some songs for us or something

Um, I've been telling everybody how good of friends we were, um, back in the day

Um, I know we never talked or hung out ever, but um...

I think that's what made our friendship so special, and, um...

Anyway, text me! Okay, bye

Mister Burnham

How ya doin', good? Good

Uh, I'm a, uh, I'm an agent from out in Los Angeles

Uh, really dig your stuff man, it's out there, you know, I totally get it

Uh, and the best part about it, man, you've got all these young fans, uh, and

Which is great, because young people, they're...

They're very passionate, and they're very, uh, they're very reliable consumers

But what you've gotta do to take your career to the next level?

You've gotta cater more heavily to them, alright?

We've done studies, young people do not respond to this...

You know, "introspective" material, or these "challenges-to-the-form", you know...

Young people want jokes they can relate to, okay?

Relate to them!

You know, also, you've gotta reestablish your presence on the internet, buddy

Alright, it's not important whether your material's "good" or not

What's important is that you keep the Bo Burnham brand alive and well

Ya get it?

But we'll discuss more later, I know it's a lot

Uhh, my number is, uh, 310-555-...uhh, Fag!

What up, dude, what's up, how are ya man?

You've changed, bro. You've changed

I never knew you, but, um

My friend's old roommate's friend said he knew you in high school and you became a real asshole once all this "comedy" stuff started happening

What, what is it man? You think you're better than us?

You think you're better than us just cause you're tall?

Whoa, congrats man, you're tall!

Wow, it's incredible! What, you want a trophy for being tall?

You wanna... we should just give trophies to tall things

And every tree and building will have a trophy

That make sense?

Yo, why you acting all quiet and weird right now?

Yo I know why you are, it's cause you're an arrogant prick, that's why

An arrogant fuckin' prick

I once heard that you actually act quiet cause you're shy and introverted in
real life
And that people shouldn't expect you to act the same way offstage as you do
onstage Yeah... yeah, it makes no sense
Anyway, you wanna buy some weed?
