Baby-baby-baby-baby

(Babes) Oh, my dear  
A long time ago  
Knew four little children (Babes in the woods)  
Who their name I did not know  
A-they was strollin' away (Babes)  
On a Friday summer day  
And hidden in the woods (Babes in the woods)  
Though I've heard plenty people say  
It was two babes in the woods  
(Babes in the woods) Baby-baby-baby-baby  
Ba-ma-mu-mu-mu-mu-mu-mu

I was a-walkin', to my surprise  
Two little babies  
Right before my eyes

(Babes in the woods)  
(Babes in the woods)  
(Babes in the woods)  
(Babes) Ba-ma-mu-mu-mu-mu-mu  
Yep-pip-pip-pip-pip-pip-pip

Four, their sight  
And the four, their plight  
And the moon, you know  
You know it didn't give no light  
And the four little babes  
Know they sighed  
And the four little babies  
Laid right down and died  
It was the babes in the woods  
Babes in the woods  
Babes in the woods  
I would take 'em home if I could

(Babes in the woods)  
(Babes in the woods)  
(Babes in the woods)

Ba-ma-mu-mu-mu-mu-mu-mu
