

# Dancing Girl

Bo Diddley

Runnin' for the dance hall  
Lightnin' speed  
Lookin' for my baby  
Wonder was she dead?

Run on the stage  
Gotta do my dance  
What a minute, baby  
Won't you give me a chance?

Jumped on the stage  
And started jumpin' around  
Couple more lessons  
And I'll have it down

Get back, baby  
And wait for yo' turn  
This dance a-take  
A lotta time to learn

Left foot out  
And the right one behind  
Couple more lessons  
You'll have it on style

Dance all night  
Dance all day  
Stay up little girl  
Wouldn't let me get away

Run out the dance hall  
I was goin' around the world  
Tried to get away  
From that dancin' girl

Holler, Bo Diddley, wait for me  
I was so tired, I couldn't see
