Look at my baby  
Standin' in the middle of the floor  
Yeah, look at my baby  
She standin' in the middle of the floor  
She got her eyes on me  
Watchin' ev'ry place I go

Look at my baby  
Makin' those eyes at me  
Look at my baby  
Makin' those eyes at me  
Sometimes I wonder  
If she truly love me

Look at my baby  
Sally breakin' through the crowd  
Look at my baby  
Tryin' to make it through the crowd  
She wanna holler my name  
She might holler too loud

Yeah, look out baby!

Yo' daddy's waitin' on you  
Come on baby  
Yo' daddy's waitin' on you  
Yeah, I can see how you act, honey  
That you were always bein' true

Yeah  
FADES-  
Look at my baby  
Look at my baby  
Look at my baby  
Look at my baby.
