

## Our Time

Bo En

Close your eyes, you'll be here soon  
Ichi ni san shi go fun  
Tokidoki hontōni netai  
Demo kono wādo dekinai

Oyasumi

Oyasumi, oyasumi  
Close your eyes and you'll leave this dream  
Oyasumi, oyasumi  
I know that it's hard to do

Days go by  
Shōganai  
Moments pass  
Shattered glass  
Hands of time  
Where's that chime?  
In my head  
I'll just

Hands of time will wring my neck  
Every little moment spells regret  
But I don't have to feel this way  
As a voice inside my head

Oyasumi
