[English translation:]

Even when so much crazy stuff happens
That I'm about to lose sight

Before I know it, it's all memories
I've forgotten it all already, I'm gonna shine

I'm gonna rock right now,
Take your spot and cop the old crown
I'm so international, all natural
MC Foodlover need to PAN!
Ah, my rap style is atomic
Generating power, what's that? Y'all talkin
Red carpet, get the prize money
Chill like an oldie in Miami
Super bright... I'm no joke
But I joke that I'm the best
What is this year 2009?

They're all pretty much the same
All champagne and VIPs
Boa, yeah yeah! Let's make
A toast together! Let's party!
That's what they all say, but I'm sorry
I don't give a damn about that stuff
If you're gonna treat me
Get me a present...

Oh-oh-oh-oh-oh
No matter what! No matter what!
Oh-oh-oh-oh-oh
I got major attitude
Oh-oh-oh-oh-oh
Though they all ignored me before...
Oh-oh-oh-oh-oh

Someone may look ordinary
But the next day they could be Cinderella
That's this life's melody
With just a little magic I'm gonna shine
Bump bump...I always
Yeah yeah...go with the flow
Bump bump...and just do whatever
Yeah yeah...like this, but...
Bump bump...
Tell me
Does this world have rules?
It may be irresponsible, but my way
Ain't easy, I am me

They all say the same thing
What's your blood type? The hell?
I'm not A or B or O
I'm B-O-A...OK?
Warning me when I get too drunk
That talk's getting old
I'm getting bored so I'mma say goodbye
I don't need that shit

Oh-oh-oh-oh-oh
What am I gonna do? What am I gonna do?
Oh-oh-oh-oh-oh
In the end I'm all alone
Oh-oh-oh-oh-oh
I've finally seen it
Oh-oh-oh-oh-oh

Even when so much crazy stuff happens
That I'm about to lose sight
Before I know it, it's all memories
I've forgotten it all already, I'm gonna shine
Bump bump...I always
Yeah yeah...go with the flow
Bump bump...and just do whatever
Yeah yeah...like this, but...
Bump bump...
Tell me
Does this world have rules?
It may be irresponsible, but my way
Ain't easy, I am me

It's a no-brainer this hot (hot)
Step to the scene they stop (stop)
P R A G U E's studded□they say who?
It takes Verbal to make a party (rock)
Yeah...and until the morning, until the end
On the way home we'll get gyudon (don)
You want to get with it then bump (bump)
And that's the end, da da!

Someone may look ordinary
But the next day they could be Cinderella
That's this life's melody
With just a little magic I'm gonna shine
Bump bump...I always
Yeah yeah...go with the flow
Bump bump...and just do whatever
