

# Deeply

bôa

Darling, I gotta talk to you  
About the things you've been putting me through now  
I gotta talk to you, I've gotta be explained to  
Yea, yeah  
Hey, yeah

Feelings, they're really burning low  
They're burning higher than they've ever done before  
I need to talk to you, I need to feel it deeply  
Your actions now, they're really driving me  
Driving me into a deep bed of insanity  
You need to talk to me, you need to feel it deeply  
Yea, yeah  
Yea, yeah

Don't be afraid to say it, don't be afraid to say it  
The words that you might tell me could never hurt me, oh no

I've gotta feel it, I've gotta feel it  
I've gotta feel it deeply, deeply, now  
I've gotta feel it, I've gotta feel it  
And the words come tumbling from me  
Feelings...

Feelings, they're really burning low  
They're burning higher than they've ever done before  
I need to talk to you, I need to feel it deeply  
Sometime now you're gonna come 'round  
To the way that I been feeling about you now  
I gotta talk to you, I gotta be explained to  
Yea, yeah  
Hey, yeah (I'm mad now)

Don't be afraid to say it, don't be afraid to say it  
The words that you might tell me could never hurt me, oh no

I've gotta feel it, I've gotta feel it  
I've gotta feel it deeply, deeply, boy  
I've gotta feel it, I've gotta feel it  
And the words come tumbling from me

Don't be afraid to say it, don't be afraid to say it  
The words that you might tell me could never hurt me, oh no

I've gotta feel it, I've gotta feel it  
I've gotta feel it deeply, deeply, now  
I've gotta feel it, I've gotta feel it  
And the words come tumbling from me

Oh, whoa, whoa  
Oh, whoa, whoa  
Oh, whoa, whoa-oh-oh whoa-oh...  
Oh, whoa, whoa  
Oh, whoa, whoa  
Oh, whoa, oh, whoa...
