

Let Me Go

bôa

Let me go let me go
Let me know let me know, oh
All the things I've given you
Let me go again
In the end in the end
All the years all the years
All the ways I've given you
Give them back to me

And when I walk away
I'll know that I've been loved
I've been loved
And when I walk away
I'll know that I've been loved

No more tears no more tears
All the fears all the fears
All the years I've given you
Give them back to me
In the end in the end
We'll be friends we'll be friends
Say goodbye say goodbye and let me go

And when you walk away
Know that you've been loved
You've been loved
And when you walk away
Know that you've been loved
You've been loved you've been loved

You've been loved
You've been loved
You've been loved
I will let you go
I will let you go
I will let you go
I will let you go

Shed a tear shed a tear
All the years all the years
All the love I've given you
Then you'll always know

In the end in the end
We'll be friends we'll be friends
Say goodbye say goodbye and let me go

And when I walk away
I'll know that I've been loved
And when I walk away
I'll know that I've been loved I've been loved

And when you walk away
You'll know that you've been loved
You've been loved
And when you walk away
You'll know that you've been loved

With all my heart
