

Older

bôa

Taking a breath
Find the truth and be older

Making me feel
Like I feel when I'm younger
Younger

Now take this life
Show the way you can

Hear me, I
I'm older

Taking a breath
Feeling like when I walkabout

Hear me, I
I'm old

England, your fields warm me
Make me breathe and I'm feeling old

England, live your life to be free
Will you be with me

Take a breath when you breathe
