

Vienna

bôa

Don't push me away
I'm already scared
These games that we play
I don't wanna play
I don't wanna play

(Oooooo)
I'll say I'll forget you
Pretend we never met
(Oooooo)
Set fire to your shrine
Say you were never mine
You were never mine

(Oooooo)
Take the pieces off the board and show me your rules
(Oooooo)
And take the pieces off the board and I'll let you win

You know, you know
That I'll always be there
I know, I know
(Ahhh)
That you'll always be there too

(Oooooo)
Don't give me an excuse
To break it all today
(Oooooo)
These games that we play
I don't wanna play
I don't wanna play

(Oooooo)
Take the pieces off the board and show me your rules
(Oooooo)
And take the pieces off the board 'cause I'll let you win

And you know, you know
That I'm always there
I know, I know
That you're always there too

Take the pieces off the board and show me your rules
And take the pieces off the board 'cause I'll let you win

(Oooooo)
You know I will always be there
Do the best I can
(Oooooo)
I know you'll always be there
And we'll do the best we can
We'll do the best we can

(Oooooo)
Take the pieces off the board 'cause I'll love you forever
(Oooooo)

Take the pieces off the board 'cause I'll always let you win

(Oooooo)

Take the pieces off the board, show me your rules

(Oooooo)

And take the pieces off the board 'cause I'll let you win

Yeah, yeah

(Oooooo)

(Oooooo)

(Oooooo)

(Oooooo)
