

# Worry

bôa

Sing for me, let me feel released  
Let me learn from my mistakes  
Oh, sing for me, let me feel relieved  
'Cause I need to believe I'm alive

I'm trying hard to remember what it is  
I'm trying hard to recall if I care at all  
It's like an old place I used to know  
That I had to leave  
I watch it crumble, I watch it fall

I'm worried, I worry all the time  
I'm worried, I'm burning inside  
I'm worried, I worry all the time  
And my head, and my heart are on fire

I'm taking all of the passion that I had  
I'm trying to hold it in my hands but I let it fall  
And in the end it becomes my own destroyer  
I turn it round and I'm lost again

I'm worried, I worry all the time  
I'm worried, I'm burning inside  
I'm worried, I worry all the time  
And my head, and my heart are on fire

I'm on fire now, and I'm burning out  
Hey, hey  
Hey, hey  
Hey, hey, yeah

I'm trying hard to remember what it is  
I'm taking hold of my passion

I'm worried, I worry all the time  
I'm worried, I'm burning inside  
I'm worried, I worry all the time  
With my head and my heart I'm on fire

I'm worried, I worry all the time  
I'm worried, I'm burning inside  
I'm worried, I worry all the time  
And my head, and my heart are on fire

I'm on fire now and I'm burning out  
Hey, hey (hey, hey)  
Hey, hey  
I'm on fire now and I'm burning out  
Hey, hey (hey, hey)  
Hey, hey, hey (hey, hey)  
I'm on fire now and I'm burning out  
Hey, hey (hey, hey)  
Hey, hey (hey, hey)  
Yeah, yeah, yeah, yeah, yeah  
Hey, hey  
Hey, hey
