

Just Like An Arrow

Bob Catley

We talk endlessly don't get anywhere
Born in reality cradled in care
If you needed me or mistreated me
Won't you still be there

And those lonely nights when you find it hard
Losing your appetite breaking apart
If you needed me or mistreated me
Don't break my heart

It goes deep my love only for you
Just like an arrow
It goes deep my love only for you
Just like an arrow
Just like an arrow
Straight through your heart

We talk endlessly don't get anywhere
Born in reality cradled in care
If you needed me or mistreated me
Won't you still be there
Please be there

And those lonely nights when you find it hard
Losing your appetite breaking apart
If you needed me or mistreated me
Don't break my heart
Don't you break it

It goes deep my love only for you
Just like an arrow
It goes deep my love only for you
Just like an arrow
Oh, just like an arrow
It goes deep my love only for you
Just like an arrow
It goes deep my love only for you
Just like an arrow
Oh, just like an arrow
Straight through your heart
