

## Can't Wait

Bob Dylan

I can't wait, wait for you to change your mind  
It's late, I'm tryin' to walk the line  
Well, it's way past midnight  
And there's some people all around  
Some on their way up, some on their way down  
The air burns and I'm tryin' to think straight  
An' I don't know how much longer I can wait.

I'm your man, I'm tryin' to recover the sweet love that we knew  
You understand that my heart can't go on beatin' without you  
Well your loveliness has wounded me  
I'm reelin' from the blow  
I wish I knew what it was that keeps me lovin' you so  
I'm breathin' hard, standin' at the gate  
Ah, but I don't know how much longer I can wait.

Skies are gray  
I'm lookin' for anything that will bring a happy glow  
Night or day, it doesn't matter where I go anymore, I just go  
If I ever saw you comin' I don't know what I might do  
I'd like to think I could control myself but it isn't true  
That's how it is when things disintegrate  
And I don't know how much longer I can wait.

I'm doomed to love you  
I've been rollin' through stormy weather  
I'm thinkin' of you  
And all the places we could roam together.

It's mighty funny  
The end of time has just begun  
Oh, honey, after all these years you're still the one  
Well, I'm strollin' through the lonely graveyard of my mind  
I left my life with you somewhere back there along the line  
I thought somehow that I would be spared this fate  
I don't know how much longer I can wait.
