

## Going, Going, Gone

Bob Dylan

I've just reached a place  
Where the willow don't bend.  
There's not much more to be said  
It's the top of the end.  
I'm going,  
I'm going,  
I'm gone.

I'm closin' the book  
On the pages and the text  
And I don't really care  
What happens next.  
I'm just going,  
I'm going,  
I'm gone.

I been hangin' on threads,  
I been playin' it straight,  
Now, I've just got to cut loose  
Before it gets late.  
So I'm going,  
I'm going,  
I'm gone.

Grandma said, "Boy, go and follow your heart  
And you'll be fine at the end of the line.  
All that's gold isn't meant to shine.  
Don't you and your one true love ever part."

I been walkin' the road,  
I been livin' on the edge,  
Now, I've just got to go  
Before I get to the ledge.  
So I'm going,  
I'm just going,  
I'm gone.
