

# I Shall Be Released

Bob Dylan

**A** **Bm**  
They say ev'rything can be replaced,  
**C#m** **D** **A** **Asus**  
Yet ev'ry distance is not near.

**A** **Bm**  
So I remember ev'ry face  
**C#m** **D** **A** **Asus**  
Of ev'ry man who put me here.

**A** **Bm**  
I see my light come shining  
**C#m** **D** **A** **Asus**  
From the west unto the east.

**A** **Bm**  
Any day now, any day now,  
**C#m** **D** **A**  
I shall be released.

They say ev'ry man needs protection,  
They say ev'ry man must fall.  
Yet I swear I see my reflection  
Some place so high above this wall.  
I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.

Standing next to me in this lonely crowd,  
Is a man who swears he's not to blame.  
All day long I hear him shout so loud,  
Crying out Bmthat he was framed.  
I see my light come shining  
From the west unto the east.  
Any day now, any day now,  
I shall be released.
