

## Maybe Someday

Bob Dylan

Maybe someday you'll be satisfied  
When you've lost everything you'll have nothing left to hide  
When you're through running over things like you're walking across the tracks  
Maybe someday you'll beg me like a dog to take you back  
Maybe someday you'll find out everybody's somebody's fool  
Maybe someday you'll realize what it would have taken to keep me cool  
Maybe someday when you are by yourself alone  
You'll know the love that I had for you was never my own.

Maybe someday you'll have no where to turn  
You'll look back and wonder about the bridges you have burned  
You'll look back sometime when the light grows dim  
And you'll see you look much better with me than you do with him  
Through hostile cities and unfriendly towns  
Thirty pieces of silver no money down  
Maybe someday you'll understand  
That something for nothing is everybody's plan.

Maybe someday you'll remember what you felt  
When there was blood on the moon in the cotton belt  
When both of us baby were going through some kind of test  
Neither one of us could do what we do best  
I should have known better baby I should have called your bluff  
I guess I was too off the handle not sentimental enough  
Maybe someday you'll believe me when I say  
That I wanted you baby in every kind of way.

Maybe someday you'll hear a voice from on high  
Saying for whose sake did you live for whose sake did you die  
Forgive me baby for what I didn't do  
For not breaking down no bedroom door to get at you  
Always was a sucker for the right cross  
Never wanted to go home till the last cent was lost  
Maybe someday you will look back and see  
That I made it so easy for you to follow me.

Maybe someday there'll be nothing to tell  
I'm just as happy as you baby I just can't say it so well  
Never slumbered or slept or waited for lightning to strike  
There's no excuse for you to say that we don't think alike  
You said you were going to "Frisco" stay a couple of months  
I always liked San Francisco I was there for a party once  
Maybe someday you'll see that it's true  
There was no greater love than what I had for you.
