There was a little boy And there was a little girl And they lived in an alley under the red sky.

There was an old man

And he lived in the moon

And one day he came passing by.

Let the wind blow high

Let the wind blow low Let the wind blow high

One day the little boy and the little girl were both baked in a pie.

Let the bird sing Let the bird fly

The man in the moon went home and the river went dry.
