

# My Birthday Suit

**Bob Geldof**

I meant to say  
I thought you knew  
I always prayed  
For me and you  
The birthday suit  
In which I was born  
Is torn and frayed  
Is ripped and worn  
Never mind

And everything we've been  
Has been undone  
And everything we did  
Is been and gone  
And left unsung

I meant to say  
I thought you knew  
I always prayed  
For me and you  
But never mind  
It doesn't matter now
