

# This Is The World Calling

Bob Geldof

B Esadd9 Es Esadd9 Es

B Esadd9 Es Esadd9 Es

B Esadd9 Es Esadd9 Es

B

I hear a heart beat

Esadd9 Es Esadd9 Es

It's ringing out across the universe

B

It sounds so lost and lonely

Esadd9 Es Esadd9 Es

It must come from somewhere deep inside of us

And the operator says

B

"All is calm and all is quiet

Esadd9 Es Esadd9 Es

Close your eyes and sleep tonight"

B

This is the world calling

Esadd9 Es Esadd9 Es

This is earth

B

This is the world calling

Esadd9 Es Esadd9 Es

This is us

B Esadd9 Es Esadd9 Es

B

I'm on a train now

Esadd9 Es Esadd9 Es

I'm moving through the yellow fields of rape

B

There's so much beauty

Esadd9 Es Esadd9 Es

I wished that I believed enough to pray

Then the operator replied

B

"Spinning 'round, you're wrapped in blue

Esadd9 Es Esadd9 Es

There's no-one looks as good as you"

B

This is the world calling

Esadd9 Es Esadd9 Es

This is us

B

This is the world calling

Esadd9 Es Esadd9 Es

This is us

F

B

And it goes on and on

**B**

What we going to do because it can't go on

**Es**

Wrap me in your arms and keep me warm tonight

**B**

What we going to do because it can't go on

**Es**

Wrap me in your arms and keep me warm tonight

**B**

This is the world calling

This is earth

**B**

This is the world calling

**Esadd9 Es Esadd9 Es**

This is us

**B**
