

I Know A Place

Bob Marley & The Wailers

Am Am Dm Em

Am

1. When the whole world lets you down
Dm Em
And there's nowhere for you to turn
Am
`Cos all of your best friends
Dm Em
let you down

2. Then you try to accumulate
But the world is full of hate
So all of your best thoughts
Just drift through space

C F C
R: I know a place where we can carry on
C F C
I know a place where we can carry on
F7 C F7 C
we can carry on we can carry on
F C F7 C
we can carry on we can carry on

3. And it's people like you, people like me
People need to be free yeah
Am
There's a place in the sun
Am
Where there is love for everyone
Where we can be

R: I know a place...

4. When the whole world lets you down
And there's nowhere for you to turn
`Cos all of your best friends
let you down

5. Then you try to accumulate
But the world is full of hate
So all of your best thoughts
Just drift through space
